1. Type “https://campus.aau.at” into the address bar of your browser or click directly on this link.

2. Click “Login” in the upper right corner.

3. Fill in your credentials.

4. Click in the left menu under the heading “Services” on the link “Bewerbungsportal” (Registration Portal).

5. Then click “Bewerbung” (Registration) in the upper right corner.

Almost done! Now click on the button “Universitätslehrgang” or, if you have changed the language to English, on “Continuing education programme”.

6. Scroll to the bottom of the page and add the “Vorstudienlehrgang …” (Preparatory Study Course) or, if you are going to attend the evening course, “Deutsch als Fremd- und Zweitsprache” (German as a Foreign and Second Language).

Well, that’s it!
